

Establishment of New Public Schools for the Indigenous Peoples of Mindanao
KALAHI CIDSS – Construction of Classrooms for Lumads (KC-CCL)
PROJECT BRIEFER

Brief Description

The project started in May 2016 through a memorandum of agreement between DSWD and DepEd to build 605 classrooms with a total project cost of Php 500,000,000 using community-driven development approach which was seen as a good strategy in promoting growth and community empowerment in barangays.

Objective

The project aims to provide geographically isolated and disadvantaged areas (GIDA) with learning facilities and through the DepEd’s Indigenous Peoples Education Program, teachers for the classrooms built under CDD.
